MENTAL ILLNESS BY THE NUMBERS.

Did you know mental illness is more prevalent than cancer, diabetes or heart disease? Mental disorders are the #1 cause of disability worldwide surpassing all other illnesses.

1 in 4 PEOPLE

around the world suffer from mental disorders — more than cancer, diabetes or heart disease.

615 MILLION

people worldwide have some type of mental disorder.

TEENS AT RISK

Half of those with mental disorders show signs of the disease by age 14, but it often takes more than 10 years to get treatment.
50%

$2.5 TRILLION A YEAR IN COSTS

We spend $2.5 trillion/year today (direct and indirect) on mental illness and are expected to spend $6 trillion by 2030 worldwide. More than heart disease, cancer and diabetes.
90 SUICIDES EVERY HOUR

Nearly 2,200 people/day (800,000/year) die by suicide— 90% related to mental disorders.

## INCARCERATIONS

360,000 people with mental illness are housed in under-equipped US jails. 35,000 are in hospitals.

Mental disorders account for 10% of the global burden of disease, and 30% of the global burden of non-fatal disease.

INADEQUATE HEALTHCARE

Only 3% of the world's healthcare budgets goes to mental health needs.

A WORLDWIDE COMMUNITY FOR CHANGE.

FACT: Clubhouse International helps start and grow "Clubhouses" around the world where people living with mental illness can reclaim their lives.

FACT: Every day, our Clubhouses help people living with mental illness regain a respected place in society through work, education, wellness and community.
